Extract from the Terms of Participation

4 Co-exhibitors

Permission for co-exhibitors must be requested in writing. The registration fee is ZAR 2,000 for each co-exhibitor admitted. A co-exhibitor is one who presents his own goods or services, using his own staff, at the stand of another exhibitor (the main exhibitor). This definition includes group companies and subsidiaries. Agents and representatives are not admitted as co-exhibitors.

The definition of an additionally represented company is as follows: In the case of an exhibitor who is also a manufacturer, an additionally represented company is any other company whose goods or services are offered by the Exhibitor. If an exhibitor who is a distributor wants to display not only the products of one manufacturer but also goods and services of other companies, then these count as additionally represented companies.

Additional representation of companies is not allowed on the stand.

Admission of the Exhibitor does not mean that a contract exists between the Organiser and the co-exhibitors or other companies he represents. Co-exhibitors are admitted against payment.

The Exhibitor must make this payment. The amount can also be invoiced subsequently by the Organiser.

The Exhibitor is responsible for ensuring that his co-exhibitors and other companies he represents comply with the Terms of Participation, the Technical Guidelines as well as the instructions of the Exhibition Management. The Exhibitor is liable for the debts and negligence of his co-exhibitors as if they were his own. If co-exhibitors make direct use of the Organiser's services, the Organiser is entitled to invoice the Exhibitor for these services. He is jointly and severally liable. The Exhibitor may not move, exchange or share his stand, nor surrender it either in part or in whole to third parties, without the Organiser's prior written consent.

18 Catalogue, Internet, Visitor Information

An official Exhibition catalogue, an internet database and visitor information will be compiled for the Exhibition. The Exhibitor (including co-exhibitors and companies at joint stands) is included, with the name indicated in the application, in the alphabetical list of exhibitors in these media. The minimum entry contains the Exhibitor's company name, hall and stand number and webpage in the alphabetical list of exhibitors. The Exhibitor (including co-exhibitors and companies at joint stands) will be offered other entries, e.g. in the Product Index, and other forms of presentation in these media on a separate order form. The forms will be sent to applicants in good time. The Organiser assumes no responsibility for the correctness and completeness of the catalogue, internet database and visitor information.

The Exhibitor is solely responsible for the permissibility under law—and particularly the law on competition—of any advertisement placed in the Exhibition catalogue, the internet database or the visitor information of the Organiser at the instigation of the advertiser. Should third parties assert claims against the Organiser on account of the impermissibility of the advertisement under law in general or the law on competition, the advertiser shall hold the Organiser fully safeguarded against all claims asserted including all costs of any necessary defense in court on the part of the Organiser. The same applies to exhibitor entries actuated by exhibitors in the Exhibition catalogue, the Internet database or the visitor information of the Organiser.

19 Exhibitors' passes

The Exhibitor's passes are issued only after payment of the participation fee, and the remuneration for the admission of any co-exhibitors. For the time in which the Exhibition is held, each exhibitor receives the following number of exhibitors' passes free of charge:

Hall	
Registered sqm	Passes
9	2
18	4
27	6
45	8

For every additional 9 sqm, add 2 passes

The number of Exhibitor's passes is not increased for co-exhibitors. Additional Exhibitor's passes are obtainable from the Exhibition management and will be charged for. The Exhibitor's passes are intended solely for stand personnel, and must not be passed on to unauthorised third parties, e. g. to persons or companies who wish to offer goods for sale or to render services at the Exhibition Centre without corresponding authorisation from the Organiser.
