

# International Pavilion - Shaping the future of Africa

**July 13-15, 2021  
Johannesburg**

Gallagher Convention Centre, Midrand  
[www.fdt-africa.com](http://www.fdt-africa.com)

International Trade Fair for  
processing+filling+packaging+logistics.

Our exhibitors are the key to an event that delivers innovations and solutions especially developed for the Southern African Market. Every two years the complete process chain for the beverage and food industry along with the associated packaging industry gathers in one venue to inspire a demanding audience, by matching supply and demand to specific market and industry needs. With our International Pavilion Package we offer you the opportunity to set a footprint into the Southern African market. This package is for international participants only and it offers you uncomplicated participation at the trade fair.
